Sarcoidosis Patient Day Recordings Now Available

Last month SarcoidosisUK and The Royal Brompton & Harefield Hospitals hosted our annual Sarcoidosis Patient Day. We heard from a variety of specialists on a range of topics, with 5 different sessions throughout the day. If you missed any of the talks, or would like to watch them again, the recordings and transcripts for each session are now available on our website.

Read the May Sarcoidosis Story

For this month's Sarcoidosis Story, we're sharing the powerful journey of one of our supporters, Craig. He spoke with us about his experience of living with sarcoidosis and how it has affected him.

At SarcoidosisUK, we're committed to raising awareness about this disease and supporting those affected by it. If you or someone you know has been impacted by sarcoidosis, we encourage you to share
